

\$476M

In 2016 EGUSD voters passed Measure M, the District's first-ever general obligation bond to provide **critical funding for school infrastructure improvements at every school across the district.**

\$138M

EGUSD leveraged Measure M with existing and matching funds for a total of **\$614 million in infrastructure improvements in just eight years.**

\$223M

EGUSD saved taxpayers more than \$223 million over the life of the bonds through **strong fiscal management and accelerating project delivery, completing projects two years ahead of schedule.**

Uses of Measure M Funds

Modernized Classrooms

513

Classrooms

Renovating and modernized 513 classrooms across the District providing students and staff

at every school with state-of-the-art learning environments equipped with the latest technology and amenities.

Rebuilding Our Schools

21st

Century Schools

New science labs at Kerr and Rutter are now comparable with our newest schools and the

rebuilding of Elk Grove High School keeps with our district's longstanding tradition while bringing older schools up to 21st century standards.

Safety and Security Upgrades

2,180

Security Cameras

Renovating and modernized 513 classrooms across the District providing students and staff

at every school with state-of-the-art learning environments equipped with the latest technology and amenities.

Critical Infrastructure

50

Campuses

Roofing and HVAC projects were completed at 50 campuses. 49% of the District's total roofing area

has been replaced. Outdoor learning shade structures have been constructed at every school site.
